

REMARKS

As originally amended pursuant to PCT Article 34, claims 4-29 did not comply with the multiple dependent claim style specified by U.S. law. The amendments submitted above have been made to delete all multiple dependent claims and to better prepare the claims for U.S. prosecution. It is respectfully submitted that no new subject matter has been added by way of these amendments.

It is respectfully requested that the above amendments be entered before an action on the merits is issued.

Respectfully submitted,
